<b>Remarks:</b> I am attaching copies of correspondence the Director received from Ambassador Moscoso of AID. The Director has <del>not</del> seen this material and you will note that the information on the hydroelectric project was something he requested. I am not aware of the reason he desired this information and am sending it along to you purely for information unless you happen to have some comment you would like to bring to the DCI's attention. With reference to the other item, the inter-office memo from Mr. Reimer to Mr. Moscoso, I am quite sure the DCI would like to have your comment thereon.
